

VIRTUAL INSTALLATION GUIDE

Thank you for choosing Grimco for your virtual install!
Here is a step-by-step guide to assist with the installation process.

1. Visit our [Virtual Install Website](#)
2. Upon arriving on the website, review the intro information and the “Before the Installation” notes.
3. Select your equipment from the choices provided.
4. Follow the steps listed underneath your equipment.
 - a. Please download, complete, and print the Pre-Install Information Form
 - b. Email the signed, completed form back to scheduling@grimco.com
5. Once the form is received by our install team, a member will reach out to review the details.
6. After review is complete, we will work with you to schedule a Virtual Install
7. Now that your Virtual Install is scheduled, you can assemble your equipment.
 - a. Review the assembly information for your equipment.
 - b. Should there be a tutorial video available, please watch – they are helpful!
8. Following Assembly, continue on to Operational Information.
 - a. Review the User Guide and watch available tutorial videos.

You're All Set! If you have any questions along the way, please contact our Grimco Tech Support Teams:
